DESCRIPTION

Frontline villa in Les Bassetes with spectacular sea views and direct access to the path to the beach. Truly one of the most exclusive places to buy a house on the Costa Blanca. Extraordinary frontline villa for sale on the Calpe Coast, just a few metres from Cala Basetes. It is a Mediterranean-style villa with a lot of privacy and intimacy, located in a privileged environment. The panoramic views from each bedroom of the house over the bay, the Les Basetes Marina and the Penon de Ifach are unique. Also worth noting is the direct access from the house to the ecological promenade along the sea. The house enjoys a lot of privacy. The double plot allows you to enjoy the large terrace facing the sea. More photos are available upon request.
