DESCRIPTION

This impressive “finca style” villa is located in the beautiful surroundings of the Olta area of Benissa, just a short drive to the town, restaurants and sandy beaches of Calpe. From here you can enjoy trees and nature, mountains and a large sea view including the famous Penon de Ifach. The villa itself is situated on a flat fenced plot of about 1300m², with a lower area offering extra parking and access to the basement level of the property. The rest of the plot is left natural apart from a large fenced area for animals. The villa was built to a high standard using ecological materials to achieve a bioclimatic property providing optimum temperatures inside the villa in summer and winter which minimises the use of both the air conditioning and heating. Examples are the thick external walls which include natural ... (enquire for further details)
