DESCRIPTION

Mediterranean Elegance in the Heart of Moravia, Moraira. Situated within the prestigious Casablanca community, one of Moraira's most sought-after residential enclaves, this beautifully presented Mediterranean villa offers an exceptional blend of comfort, privacy and timeless charm. Set within an exclusive development of just ten independent villas bordering San Jaime, the property enjoys a peaceful residential atmosphere where commercial tourist rentals are not permitted. From the moment you enter through the traditional solid wood front door, the villa immediately conveys warmth and character. An inviting entrance hall provides generous storage space, including a cleverly designed under-stairs wine cellar. The main living area is bright, spacious and filled with natural light. A striking vaulted ceiling ... (enquire for further details)
