DESCRIPTION

This modern design villa is oriented southeast with panoramic sea views from Moraira to the Penon de Ifach, the famous rock of the Costa Blanca in Calpe. The project is tailor-made to the characteristics and dimensions of the plot. Connected by both internal stairs and a lift, this project has a total built area of 261 m² distributed over 4 levels. All levels feature beautiful garden areas. With street level parking area with a pedestrian entrance. Outdoor stairs lead to the entrance of the villa, with internal stairs and a lift. If desired, there is the option to install a second lift from the parking area to the entrance of the house for a completely barrier free entry from the parking. Entrance: we find ourselves on a large flat terrace with panoramic sea views. On this level is the hall with a staircase and lift. Floor 2: one level ... (enquire for further details)
