DESCRIPTION

(Altea Hills) Spacious 3-Level Townhouse Converted into 3 Independent Apartments with Stunning Sea Views Altea Hills Located in the prestigious Altea Hills residential area, this impressive 4-bedroom terraced house offers breathtaking southeast-facing sea views and a unique investment opportunity. The property has been renovated and converted into three independent apartments, making it ideal for holiday rentals, multi-family living, or as a high-yield investment property. The property offers a constructed area of 250 m2 on a 250 m2 private plot and is distributed across three floors, each functioning as a separate living space. Every apartment benefits from bright interiors, open terraces, and spectacular views of the Mediterranean Sea. The home features a refurbished and fully equipped American- (enquire for further details)
